Statement of Service Performance

Volunteering Hawkes Bay For the year ended 30 June 2021

Impact of Covid 19 since July 2020

Covid 19 in 2020 had a major impact on our statistics as events and volunteering as we know it came to a halt. Supporting our members via email, phone and zoom meetings as support were all we could provide for a few months. Working from home became the new way to work and our involvement with Civil Defence provided us with a new category to add to our roles. 150 Volunteers were sought at the Civil Defences request to be able to assist in the community with food deliveries, meals on wheels and other assigned help. An additional 20 trainee nurses and their staff were assigned to DHB to assist with roles in the hospital, doctor's surgeries and on the ground testing stations. Unfortunately, nearly all the volunteers we could provide were not required due to City Council staff managing the load.

Later in the year Civil Defence apologised and asked to develop a memorandum of understanding with them for any future emergency including earthquake, floods, tsunami and pandemics such as Covid.

Volunteering NZ reached out to our national Managers as support and met every week to ensure everyone was ok and that similar requests from Civil Defence were in align with others. These meetings continue fortnightly to this day and have been the best sharing of resources, support, friendships and developing of ideas for our future.

Delta variant exposed in Auckland meant a direct response in Alert 4 and a further 85 volunteers were on standby should they be needed in Hawkes' Bay. Civil Defence see our role as coordinating volunteers for the not-for-profit organisations and are impressed with our new database that we moved to in January.

Although it has been business as usual but not usual, it is now our "new norm". We did not have to use the subsidy due to safe and secure existing funding. An opportunity through Department of Internal Affairs Covid 19 Fund allowed us to source a contractor for our Social-Media, marketing and promotional work.

Description of Entity's Outcomes

- Connected volunteers with community organisations.
- Sourced and supported community organisations to engage volunteers.
- Connected with managers and coordinators at monthly meetings with guest speakers
- Celebrated volunteers and managers of volunteers.

Description and Quantification of the Entity's Outputs

1. Connected volunteers with community organisation

Volunteers come to VHB mostly online to register their interest in the variety of volunteer opportunities offered in the categories of health, arts, social services, education, recreation, and environment, etc. (42 categories on our Next Solutions database) Now Connect database has 30.

2. Supported community organisations to engage volunteers

- Worked with Hastings Girls High and Taradale High careers and outreach groups by providing information, power point and discussions around volunteering.
- Attended EIT open Days to promote volunteering. Have increased the classes to work with including the migrant students seeking volunteering before acquiring their work permits.
- Liaised with organisations to ascertain volunteering needs, updated job opportunities and created partnerships with employment and disability groups such as a Habit, Work-bridge, First Choice Employment and Ignite Youth Employment.
- Referred volunteers to member organisations. From July 1st, 2020, we had the database Next Solutions, although the information was able to be sourced it was not entirely user friendly nor accurate at times. The process to register a volunteer was complex and not user friendly. It was decided to look at the database Connect that 6 other volunteer centres in New Zealand were currently using. The cost benefits were wonderful and the plans to transition over were set for the end of the year.
- Provided information, events, training and resource,

webinars on our website, face book, newsletters and emails.

- Provided webinars for short courses for community organisations on our website and face book. This sharing of resources is proving positive.
- Our Building Bridges Conference that was so successful in 2019 had been cancelled, re-scheduled and cancelled again due to Covid 19.

3. Celebrate volunteers and managers of volunteers

A successful Volunteer Excellence Awards was held in June with 36 nominees for 4 Awards.

Categories were Individual, Team and Governance and Youth volunteers were able to attend free of charge. Napier City Council and Hastings District Masonic Trust sponsored our lunchtime with Mayor Sandra Hazelhurst attending. Department of Internal Affairs had Norman Apirana attend as the rest of this funded event was paid for by our Support for Volunteering Fund.

National Volunteer Week, International Volunteer Day and International Managers Day were all recognised in social media, library displays and within individual organisations.

Additional Output Measures

Network with stakeholders in the community

Employee Volunteering programme

Developing this pilot project has been completed with advice and support from Volunteering Wellington who have brokered this process for 11 years. With 7 reputable businesses waiting to partake in the Hawke's Bay programme. It is necessary to employ a part time coordinator to manage this programme due to the consultation, brokering and time involved with each client. It is very exciting to be part of a new service for Hawke's Bay and progress will be provided next year.

An increase in businesses contacting Volunteering Hawke's Bay proves our service for businesses is known in the community. Cedenco, Ignite Youth Employment, Habit, Porters Hotel are all new businesses wanting to assist with help for community groups in the future.

Safer Hastings Strategic Group and Older Persons sub-group

Being a member of the Safer Hastings Coalition through the Hastings District Council has opened many avenues for connecting and collaborating with a variety of attendees from ACC, DHB, MSD Police and Fire and of course helping agencies from our local community. With 5 Goals to be achieved including connecting agencies and communities, Safe and Healthy homes, Safe Roads, People in Hastings feel safe and People are free from addiction related harm. Our interacting in each of these goals is gaining momentum and value.

Civil Defence and District Health Board

A Memorandum of Understanding is being developed between Volunteering Hawke's Bay and Civil Defence as recognition of the contribution Volunteering Hawke's Bay could add value to in emergency situations. Relationships with DHB are also being developed for ongoing assistance when hospitals are under stress.

MultiCultural Association

Volunteering Hawke's Bay judged the restaurant category for the Multicultural association and attended the awards ceremony. A relationship with the multicultural association remains strong and beneficial to both organisations.

VCNA AND VNZ

Our 18 Volunteer Centres are members of Volunteering NZ and have increased our connections, resources, guidance, friendships and shared knowledge to be further beneficial to each other rather than re-inventing the wheel. Volunteering Hawke's Bay is a member of the sub-groups for Key messaging and marketing and Youth/Student volunteering and part of the train the Trainers programme was well underway just as Covid 19 developed again, yet another set back.

Volunteering Hawke's Bay Board of Trustees and Staff

Extensive work on the strategic plan has brought about a new direction and intense change to how volunteering is recognised in the Hawke's Bay community. Our new mission Valued. Supported. Connected, clearly defines the goals of what is to be achieved over the next few years. A special mention to Jenny Grace for facilitating the Board through this process.

Renata Lehmann founder and former Manager of Volunteering Hawke's Bay for 15 years decided to retire in December 2020. It was decided Renata's administrative position be assigned to a contractor Avril Sievright as a Book-Keeper. Leanne Collins has managed the organisation on her own and will be gaining a volunteer to assist with the database activity and another contractor Mark Jackson will be providing the promotional, stories and social media management.

Independent Assurance Practitioner's Review Report

Volunteering Hawkes Bay

For the year ended 30 June 2021

To the Members of Volunteering Hawkes Bay

I have reviewed the accompanying performance report of Volunteering Hawkes Bay which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 30 June 2021, the statement of financial position as at 30 June 2021, and the statement of accounting policies and other explanatory information.

Trustees' Responsibility for the Performance Report

The Trustees are responsible on behalf of the entity for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- b) the preparation and fair presentation of the performance report which comprises:
 - the entity information;
 - the statement of service performance; and
 - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit), and
- c) for such internal control as the Trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

Assurance Practitioner's Responsibility

My responsibility is to express a conclusion on the performance report. I conducted my review of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400 (Revised), Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity, and the review of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Those standards require me to conclude whether anything has come to my attention that causes me to believe that the performance report, taken as a whole, is not prepared in all material respects in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit). Those standards also require that I comply with ethical requirements.

A review of the performance report in accordance with ISRE (NZ) 2400 (Revised) and ISAE (NZ) 3000 (Revised) is a limited assurance engagement. I will perform procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluate the evidence obtained. The procedures selected depend on my judgement, including the areas identified where a material misstatement is likely to arise and includes performing procedures to obtain evidence and evaluating whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand) and ISAE (NZ) 3000 (Revised). Accordingly, I do not express an audit opinion on the performance report.

Other than in my capacity as assurance practitioner I have no relationship with, or interests in, Volunteering Hawkes Bay.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are not suitable;
- b) the performance report does not present fairly, in all material respects:
 - the financial position of Volunteering Hawkes Bay as at 30 June 2021, and of its financial performance and cash flows for the year then ended; and
 - the entity information and its service performance for the year then ended in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit).
